

ALUMNI BENEFITS

The Alumni Society

When you matriculated at St Edmund's you became a member of the College's Alumni Society for life. One of its primary aims is to bring alumni together and it provides funds if you wish to organise a small event in your area for Eddies who may be living nearby. If you graduated from St Edmund's recently, the Society also offers small grants for activities that benefit your personal development and that of other members of the College.

The Alumni Society committee is present at events throughout the year and subsidises many of the events open to alumni. Most notably among these are the Guest Night dinners, held in December, March, and July each year with a special price for alumni. The Society is also working on building a network of regional reps to help organise activities where there are larger numbers of Eddies alumni.

Get involved:

The Society is always recruiting for its Committee, as well as for people interested in organising regional events around the world. If you might be interested in getting involved, or have questions about the nature and work of the Alumni Society, send an e-mail to development@st-edmunds.cam.ac.uk.

College Benefits

Upon matriculation, you remain a member of College for life, and so the College will continue to create opportunities for you to come back, and stay connected. The main way in which this happens is through a programme of events throughout the year. This ranges from dinners and events in College, to socials in London, to regional events throughout the year as our Fellows travel to different places and where alumni are able to organise gatherings in their new homes. For details on our events programme please visit the College [website](#), and if you are interested in hosting a gathering in your city, please e-mail events@st-edmunds.cam.ac.uk.

If you find yourself back in Cambridge, the College offers accommodation to alumni at a [reduced rate](#) should you wish to stay at St Edmund's. The College also rents out spaces for events & conferences which you can find out more about by e-mailing conference.coordinator@st-edmunds.cam.ac.uk.

It is always special when we are able to welcome you back to the College for a wedding or a christening in our chapel and dining hall. For more information e-mail development@st-edmunds.cam.ac.uk.

St Edmund's has three punts that are housed at St John's College. We are one of the only Colleges that allow alumni free hire of the punts through the season (April-November). If you are interested in reserving a punt, e-mail development@st-edmunds.cam.ac.uk and the Development Office can make arrangements.

If you ever want to get back in touch with friends from your time here, or come back either alone or with a group, we are happy to help. Just send us an [e-mail](#).

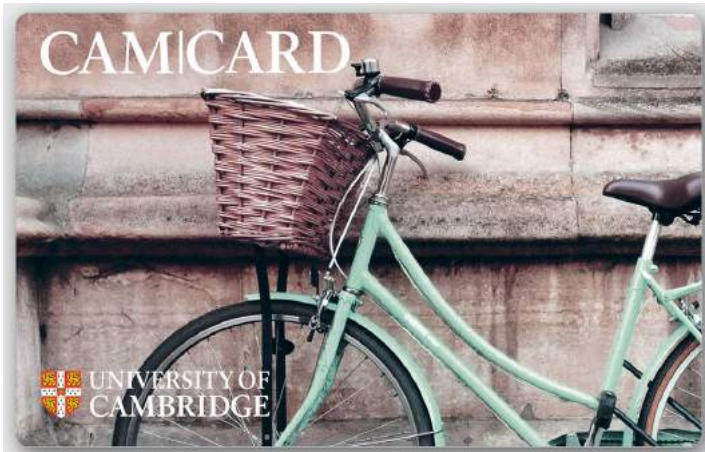

University Benefits

Distinct from the College, the wider University offers a number of benefits to alumni, comprehensive information on which can be found via their [website](#). A few highlights are mentioned below but represents by no means a complete list.

Upon graduating, make sure to [order your CAMCard](#) from the University as it is your passport back into the Colleges whenever you come back to Cambridge. It also offers a variety of [discounts](#), not just in Cambridge or the UK, but further afield too.

Seven years after matriculating, BA students become eligible for their *MA Cantab*. An honorary degree, but a great opportunity to catch up with your friends and unlock a few more university benefits, this isn't something to miss out on. For more information or if you wish to register for your MA graduation, e-mail praelector@st-edmunds.cam.ac.uk.

Careers Service

The University Careers Service is different from most in that you can continue to use it for the rest of your life. If you ever want help moving through your career, finding your next job, or refining and polishing skills for that next step, this may be the place for you.

If you happen to find yourself recruiting graduates, then the Careers Service also represents a place to advertise jobs, and alongside the College is a place where you can offer work experience and shadowing opportunities. More information can be found via the University [website](#), and if you are interested in offering opportunities to current St Edmund's students, e-mail development@st-edmunds.cam.ac.uk.
